

Sandy Springs United Methodist Preschool

Class Offerings 2010-2011

Class offerings are somewhat dependent upon enrollment. The following classes are expected to be offered next year:

MMO: Toddler I (12 months by Sept. 1, 2010) M/W or T/Th
Toddler II (18 months by Sept. 1, 2010) M/W or T/Th

Where enrollment is low for a Toddler I and Toddler II class, two classes may be combined. Should enrollment grow, we may be able to split them.

2's (must be 2 by Sept. 1, 2010):

M/W/F 2's – we have typically had 2 M/W/F 2's classes
T/Th 2's – we have typically had T/Th 2's classes

These classes may be divided into an older and younger class depending upon enrollment and the discretion of the Preschool Director.

3's (must be 3 by Sept. 1, 2010 and completely potty trained; no diapers or Pull-ups):

M/T/Th 3's – there will be 1 M/T/Th classes
M/W/F 3's – currently offering 1 M/W/F class but there is room for growth
M-F 3's – there will be 1 5-day 3's class

These classes may or may not be divided into an older and younger class depending upon enrollment and the discretion of the Preschool Director.

4's (must be 4 by Sept. 1, 2010)

M-F 4's – we have typically had 2 5-day 4's classes

Young 5's (must be currently enrolled in a 4's class and be 5 by Sept. 1, 2010)

M-F Young 5's – there will be 1 5-day Young 5's class

When all current 4 year olds have been placed, then we may fill the remaining spots in Young 5's. Children registering for the 4's class who turn age 5 by December 31st, 2009 will be the first considered. Placement will be based on teacher recommendation and the discretion of the Preschool Director. You may indicate your desire for your child to be placed in the Young 5's program on your application, but be aware that this may not occur.
